

Nationwide Protection - Coverage is effective wherever you drive. even if you are away from your home area, arrangements can be made to have your vehicle repaired by any authorized facility in the U.S. or Canada.

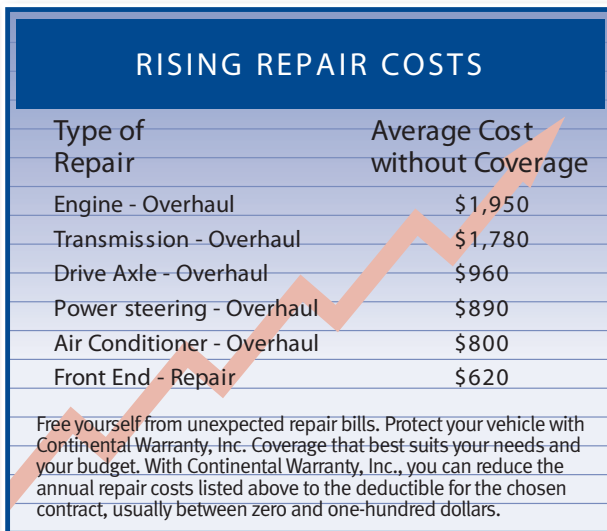

Toll Free Assistance - Help is just a free phone call away. Trained personnel are standing by to solve any problem quickly and get you on your way.

Transferable Protection - If you sell your vehicle, your Continental Warranty Inc., plan is transferable for a modest fee. This increases the resale value of your vehicle to a potential buyer.

Affordable and Convenient - Continental Warranty Inc., protection costs less per year than a single relatively inexpensive failure. In addition, this economical protection can be included in your monthly car payment and may be the protection you need most.

WHY YOU NEED THE CONTINENTAL WARRANTY INC. PROTECTION PROGRAM

With the average length of vehicle ownership rising comes a greater risk of mechanical failures and costly repairs like those illustrated in the chart below:

Continental Powertrain

Engine (Gas or Diesel) - All internally lubricated parts, piston, piston rings, piston pins, crankshaft and main bearings, timing chain, timing gears, intake and exhaust valves, valve springs, valve guides, oil pump, push rods, rocker arms, rocker arm shafts, hydraulic and solid lifters, intake manifold; harmonic balancer, metal valve covers, timing gear cover, air and vacuum pump. The engine block and heads are also covered if caused by failure of any of the above covered items.

(Rotary) - All of the above listed components; rotor seals; rotor chamber; eccentric shaft and bearings, all other internal parts of a rotary engine.

Water Pump - Impeller shaft; bearings; bushings and housing.

Seals and Gaskets - Should seals and gaskets be required in conjunction with the repair of a covered component, coverage will be extended to include seals and gaskets on said components up to 100,000 miles. The cylinder head gasket(s) and intake manifold gasket are the only gaskets covered as a gasket failure alone.

Transmission (Automatic or Standard) - All internal parts; torque converter; vacuum modulator, mounts. The case is covered if damage is caused by failure of any of the above covered items.

Transaxle (Front Wheel Drive) - All internal parts; transaxle mounts; vacuum modulator; torque converter; drive axle shafts; constant velocity joints. The case is covered if damage is caused by a failure of any of the above covered items.

Drive Axles (Front or Rear) - All internal parts; propeller shafts; universal joints; axle shafts; bearings; supports. The case is covered if damage is caused by a failure of any of the above covered items.

Car Rental Reimbursement - Your coverage can limit the expense of a rental vehicle, when your vehicle is disabled for COVERED PARTS (except where prohibited by law), if the covered repair takes more than 16 hours labor guide to complete.

Continental Plus

Steering - (Manual or Power) - All internal parts in Recirculating ball housing; power steering pump; steering main and intermediate shafts.

Electrical Components - Alternator; electronic voltage regulator; generator; starter motor; starter solenoid and starter drive.

Brake Components - Master cylinder; power assist boosters and valves; wheel cylinders and calipers.

Air Conditioning Components - Expansion valve, pressure cutoff switches, orifice tube and receiver dryer. If R-12 is not available, the system will be converted to R-134a refrigerant to meet environmental standards.

Towing Allowance - Towing coverage is provided in the event of a failure of a COVERED COMPONENT for a maximum of \$50 per occurrence.

Optional Coverage for All Plans

Turbo/Supercharger (surcharge applies) - Internal parts; vanes, shafts, bearings and housing if damaged is caused by a failure of a covered component.

Four-wheel / All-wheel drive (surcharge applies) - Transfer case (and internally lubricated parts), front differential, manual locking and bearing assembly, c/v axels, front drive shaft and universal joints and enhanced labor time for obstructive parts.

CONTINENTAL PLUS ALSO INCLUDES COVERED COMPONENTS IN THE CONTINENTAL POWERTRAIN PACKAGE.

Continental Gold

Electrical Components - Distributor shaft and housing; window motors; power seat motors; front wiper motor (including internal circuit board, relay and delay switch); manually operated switches; power window switches; power seat switches; power door locks; horn button; turn signal switch; cruise control module; cruise control switch; headlamp switch; emergency warning flasher switch; window regulators and drives.

Air Conditioning Components - Compressor; clutch and pulley; condenser and evaporator.

Front Suspension - Upper and lower control arms; control arm shafts and bushings; upper and lower ball joints; steering knuckles; stabilizer shaft and bushings; king pins and bushings; strut bar and bushings; spindles and spindle supports; wheel bearings.

Fuel - Fuel tank and lines; fuel inject metering pump; fuel injectors; fuel distributor.

Steering Components - Power cylinder assembly; Pitman arm; idler arm; tie rods; drag link; power steering cooler; control valve and cylinder steering gear box or rack and all internally lubricated parts.

Brakes Components - Combination valve; steel lines and fittings; backing plates; power brakes cylinder; vacuum assist booster pump; springs, clips and retainers; self adjusters; rear activators; parking brake linkage and cables.

Anti-lock Brakes (ABS) - Booster and pump; master cylinder; control processor and solenoids.

Hi-Tech Electronics - Electronic driver information display and module; computerized mixture control unit ; power sun/moon roof motor; power convertible top motor; electronic level control compressor; Crank Sensor, Knock Sensor, Oil Temp Sensor, Camshaft Positioning Sensor, Mass Air Flow Sensor, BAP Sensor, MAP Sensor, Upstream Oxygen Sensors, Downstream Oxygen Sensors, Heated Oxygen Sensors, Throttle Positioning Sensor, Engine Coolant Temperature Sensor, Intake Air Temperature Sensor, Neutral or Park Position Sensor, Brake Fluid Pressure Sensor, PFE Sensor, Pressure Sensors (HVAC), Ride Height Sensor.

CONTINENTAL GOLD ALSO INCLUDES COVERED COMPONENTS IN THE CONTINENTAL PLUS AND CONTINENTAL POWERTRAIN PACKAGES.

Continental Warranty Non-Covered Components

- Rubber belts, hoses, tubes, o-rings, clamps
- Carpet, trim, upholstery, heated seat element
- Spark plugs, ignition wires
- Oil filter, fuel filter, air filter, pvc valve
- Battery, fuses, fusible links
- Audio system, television system, mobile telephone and wiring
- Brake pads, rotors, drums
- Light bulbs, lenses, bulb socket
- Catalytic converter, exhaust outlet pipe, muffler
- Seat belts, air bags
- Manual transmission clutch assembly
- Windshield wiper blades
- Body panels, paint, chassis frame
- Shock absorbers
- Navigation system
- Thermostat, vapor canister, EGR valve

Continental Warranty Non-Covered Services

- Engine tune-up
- Scheduled maintenance
- Alignment, wheel balancing
- Replacement of coolants, lubricants, fluids and refrigerants
- Removal of carbon, sludge, varnish, contaminants
- Glass replacement
- Transmission service
- Recharge A/C system
- Replacement of any non-covered component

In the next 12 months:	
1 in 100	people will be injured as a result of an accident
1 in 30	vehicles will suffer collision damage
1 in 7	people will utilize their health insurance
1 in 3	vehicles will experience a mechanical failure that would be covered by CONTINENTAL WARRANTY INC.

Welcome

Welcome to the Continental Warranty, Inc. community. Buying new or qualified pre-owned vehicles, has always been a sound investment. Today it makes better sense than ever. Continental Warranty, Inc. provides one of the most comprehensive and competitive warranties in the industry, that safe guards and protects your valued investment. As a participating Continental member, the benefit provides a wide margin of services to help you drive in comfort and safety. Located in Wilmington Delaware, Continental Warranty, Inc. is a licensed Delaware corporation fully insured by Fidelity Risk Management and Bonding. Continental Warranty, Inc. also is an active member of the better business bureau. Our Motto, “We’re with you every mile” is more than a slogan. It’s a commitment to you, our valued customer.
